

SOL

(sadly)
Ring around the rosie
A pocket full of posies
Ashes, Ashes,
We all fall down

ARU

Why you sad?

SOL

You wouldn't understand.

ARU

Someone messing with you? I got you. Tell 'em you with Aru.

SOL

You my size. How you gonna help?

ARU

Number A, I'm strong. Number B, I been taught to protect.

SOL

Why I need protection?

ARU

You looked in a mirror?
That's what I thought.

SOL

Whatever.

ARU

Number C. I just found out I got a step-brother everyone calls Big Mike. Everyone scared of him. He doesn't mind getting into fights. He going to military. He has a dragon tattoo.

SOL

You wanna be like him?

ARU

He cool. But he gotta be extra hard and manly. I don't need all that. I wanna design things. Come on though. We gonna do the merry-go-round.

SOL

Oh, I know that one. Ring around the rosie.

ARU

Let's do a different one. We gotta go counterclockwise and we gotta use water.

SOL

Water for what?

ARU

So we don't fall off. I heard you throw water on it and sing this song, you won't fall off.

SOL

I got a bag from my momma. See..

ARU

That bag won't do nothing.

SOL

Un hun. My momma said long as I have this the spirits will watch over me. She told me that before she died.

ARU

I'm sorry.

SOL

It's okay. Can't do nothing about it.

ARU

What's you say you name was?

SOL

I didn't.

ARU

You gonna tell me?

SOL

I'll think about it.

ARU

We gonna be best friends so you might as well tell me now.

SOL

I never had a best friend before.

ARU

Well, get used to it. I got another one, Zane. You gonna met soon. We gonna be a trio and no one will say nothing about it.
